

Daré Bioscience, Inc. to Present at the 16th Annual BIO Asia International Conference

February 28, 2019

SAN DIEGO, Feb. 28, 2019 (GLOBE NEWSWIRE) -- Daré Bioscience, Inc. (NASDAQ: DARE), a leader in women's health innovation, today announced that Sabrina Johnson, President and Chief Executive Officer, will present at the 16th Annual BIO Asia International Conference on Tuesday, March 5, 2019 at 4:15 p.m. Japanese Standard Time in Tokyo, Japan. Ms. Johnson will present an overview of Daré.

The BIO Asia International Conference brings together the global biotechnology and pharmaceutical industry to explore licensing collaborations and investor engagement in the current Asia-Pacific business and policy environments. "Given our focus on identifying development and global commercialization partners for our portfolio of women's health product candidates, we are pleased to have the opportunity to present and participate in the partnering meetings organized by the conference," said Sabrina Johnson.

About Daré Bioscience

Daré Bioscience is a clinical-stage biopharmaceutical company committed to the advancement of innovative products for women's sexual health, vaginal health, fertility, and contraception. The company's mission is to identify, develop and bring to market a portfolio of novel, differentiated therapies that expand treatment options, improve outcomes and facilitate convenience for women in the areas of contraception, vaginal health, sexual health, and fertility.

Daré's product portfolio includes potential first-in-class candidates in clinical development: Ovaprene®, a non-hormonal, monthly contraceptive vaginal ring; and Sildenafil Cream, 3.6%, a potential treatment for female sexual arousal disorder utilizing the active ingredient in Viagra®, as well as a proprietary solution-to-gel formulation of clindamycin to treat bacterial vaginosis via a single application, DARE-BV1. To learn more about Daré's full portfolio of women's health product candidates, and mission to deliver novel therapies for women, please visit www.darebioscience.com.

Daré may announce material information about its finances, product candidates, clinical trials and other matters using its investor relations website (<http://ir.darebioscience.com>), SEC filings, press releases, public conference calls and webcasts. Daré uses these channels to communicate with its investors and the public about the company and other company-related matters. The information Daré posts on its investor relations website may be deemed to be material information. Daré encourages investors, the media, and others interested in the company to review the information Daré posts on its investor relations website.
